#### AS ABBREVIATED FROM THE WYOMING JUNIOR HORSE SHOW RULE BOOK, MOST CURRENT EDITION.

Proof of ownership (Horse Certification form) must be on file and complete, including endorsements, at the County Extension Office by June 21<sup>st</sup>, 2011. All classes shall be conducted according to rules contained in the current "Wyoming Junior Horse Show Rule Book." Safety helmets are accepted and encouraged in any class for headgear. Harness must be properly fastened. ASTI-SEI Helmets recommended. One entry is allowed per exhibitor in showmanship. One entry is allowed per exhibitor in each performance class. More than one entry per exhibitor is allowed in each halter class with premiums paid on a maximum of three entries per exhibitor in each class. 4-H horse members must pass the certification process to participate in the county horse show, to be able to show your horse in halter classes youth must pass section 1 and 2A of the certification. To be able to ride in classes, youth must pass section 2B of the certification. There are also endorsements that must be passed in order to participate in classes, they are as follows: youth participating in Trail classes must pass the trail endorsement, youth participating in speed and stock events must pass the speed endorsement, youth

participating in roping events must pass the roping endorsement, and youth participating in jumping events must pass the jumping certification. 4-H members must prepare and groom their own animal for all showmanship, halter and performance classes. Exhibitors must be able to control and handle their horse(s) safely. Ponies must be measured immediately following the showmanship classes. To qualify as a pony for halter or pony western pleasure, wither height must not exceed 58". It is strongly recommended that all horses be current on immunizations. Horses will be free from any disease and in good health to be exhibited and shown. Horses must be placed in assigned stalls only and no changes will be permitted except by the expressed consent of the barn manager or fair superintendents. Stall assignments will only be made on the Friday prior to the Horse Show, during check in at the Arena office. Any exceptions must be arranged with a Fair Superintendent prior to that Friday. All stalls must be cleaned and exhibitors must check out with the barn Manager or fair superintendent upon departure. Stalls must be cleaned and vacated within two hours of the conclusion of the horse show. Unclean stalls will be assessed a \$20.00 cleaning fee, per stall. This fee will be withheld from fair premium checks. All 4-H horses must leave following the close of the 4-H classes unless entered in FFA. Arena Management - There shall be a ring steward for each judge, and he/she shall be the only person allowed in the ring with the judge in all classes. When arena is not in use, it may be used for warm-up riding. No one horse can be both a 4-H and FFA project. There can a family horse, meaning that one horse can be shown by multiple members of the direct family (only siblings, no cousins, etc.). However each member must be certified and endorsed to compete on that horse. Also the Horse will not be allowed to run more than once in an event, i.e. the horse can run once with Exhibitor A for Barrels, and once for Exhibitor B in Stakes, but cannot run for both events for both exhibitors. No 4-H exhibitor will receive aid from any person outside the immediate show ring while showing. Disqualification may result at the discretion of the officials, the fair superintendents, or the Laramie County 4-H Educator. Any person having a grievance or complaint shall submit a written signed statement to the 4-H Horse Show Superintendents and 4-H Educator for investigation. The statement shall include all facts to clearly explain the case. Grievances must be submitted within 24 hours after completion of the Laramie County Horse Show. Any Performance Class or Showmanship Class with 20 or more entries will be split into two or more sections. The judge will select no less than six contestants from each section. The final contestants from the sections will be brought back into the ring for final placing. Performance classes with only one or two entries may be combined by the superintendent or

judge. Foul language, insubordination, cheating or verbal abuse of fair Officials will not be tolerated. 4-H members who do not exhibit or conduct themselves in a sportsman-like manner may be dismissed from the ring and/or forfeit all premiums. Contestants must have their numbers pinned securely on their back or BOTH sides of the saddle pad. If a contestant foresees a possible conflict in showing two or more halter horses, he must have another 4-H member prepared to show one of the horses. Halter classes will not be delayed for a 4-H member who is showing in one ring when his/her class is called for the other ring. If for any reason, an exhibitor cannot use the horse that was pre-entered in a class, they may substitute another 4-H horse they have Certified with permission from a Fair Superintendent. However, substitute horses must be Certified as a project horse to that exhibitor. There will be a final 5-minute call before each class. A five (5) minute tack change will be allowed between classes if necessary. However, the ring steward or gate person MUST BE NOTIFIED of necessary changes. 4-H members will be denied entry if not present for last call into the ring. If a horse kicks (or is known to kick), a red ribbon must be tied to its tail. This is a safety measure, and the horse shall not be discriminated against in the halter or performance classes. In addition, if any horse is deemed too dangerous for the rider or others around the rider and horse, the Horse committee along with the 4-H educator have the right to dismiss the horse for the remainder of the day or the remainder of the horse show.

Overall awards and points will be figured as follows:

<b>PLACING</b>	
<b>1st Place</b>	<b>6 points</b>
<b>2nd Place</b>	<b>5 points</b>
<b>3rd Place</b>	<b>4 points</b>
<b>4th Place</b>	<b>3 points</b>
<b>5th Place</b>	<b>2 points</b>
<b>6th Place</b>	<b>1 point</b>

Overall High Point – most points accumulated in all events. Based on single horse and rider combination, and must participate in all three events.

English High Point- most points accumulated in English events

Western High Point - most points accumulated in regular Western events.

Speed High Point - most points accumulated in speed

events (barrels and poles).

Halter Horse and Working Cow Horse do not count toward ANY high point awards (no point classes).

Showmanship is not a divisional class but will be taken into consideration toward the Overall High Point award. Attire worn will determine points earned in programmed ride.

Tiebreakers - For all but speed events, most firsts, most seconds, etc. For speed events - combined total time.

#### **Tie breakers:**

All around Grand and Reserve Champion: If there is a tie for either of these awards, the participants placing in Showmanship will be used to break the tie. If there continues to be a tie after utilizing the Showmanship Score, the combined time of all the speed events will be used. The participant with the lowest combined time in all speed events will be given the award.

High Point Speed Grand and Reserve Champion Award: If there is a tie based on the points awards from the placings in the speed events, the tie for both the Grand and Reserve will be broken by utilizing the total time from all the speed events. The participant with the lowest total time will be given the award. If a participant does not compete in a particular speed event (ie: they choose not to do the barrel race), then the participant will be given a time equal to the slowest time obtained by a participant in that event in their age division.

Western High Point and English High Point Grand and Reserve Champion: Any tie will be broken based on the participants placing in equitation. The participant with the higher placing in Western or English Equitation will be given the award.

An approved safety helmet may be worn in all riding classes in lieu of a Western hat and is required in all English classes. When registering for State Fair, use a state fair book as county fair class numbers DO NOT MATCH. Those eligible for State Fair include:

Performance - 1st place only (or next eligible alternate) in regular classes in reining, western riding, western equitation, trail, English equitation (hunt seat), hunter hack, programmed ride, barrels, and poles. For Seniors only; working cow, breakaway, ranch sorting, team roping, and goat tying. STATE FAIR ENTRIES ARE DUE TO THE EXTENSION OFFICE FRIDAY JULY 23<sup>RD</sup>, NO EXCEPTIONS!!

Only exhibitors and their project horses are allowed on the grounds during the horse show. No one other than the exhibitor shall ride the project horse anywhere on the grounds. No exceptions will be allowed without permission of the Superintendent.

#### **4-H Horse Showmanship**

To Enter refer to 4-H Showmanship Section 71.

The Junior, Intermediate, and Senior Showmanship classes are to be entered in the same manner as the other 4-H Horse Show Classes. This showmanship class shall be judged strictly on the contestant's ability to fit and show in a halter class. The showmanship trophy may be won by the 4-H member as many times as he/she is selected to win it.

**SHOWMANSHIP PROCEDURE** - Showmanship classes with 20 or more entries must be split into two or more groups. The judge will select no less than 6 contestants from each group, awarding them blue ribbons. After all groups are placed, all blue ribbon winners will be brought back into the ring for final judging and placing of Champion and Reserve Champion Showmen. As each section is judged, all contestants not receiving blue ribbons will be awarded either red or white ribbons and will be excused at the end of their class. When the class is called, exhibitors will enter the ring in a brisk, alert manner, circling in a counter clock direction, and will then follow instructions given by the ring steward.

**APPEARANCE OF HORSE** -The horse shall be groomed, conditioned and trimmed according to individual breed standard. The tack shall be clean and in good repair.

**APPEARANCE OF EXHIBITOR** - The exhibitor shall be dressed in neat, clean, and appropriate clothing, in accordance with Western or English equitation rules. Boots, hats or helmets, and long-sleeved shirts are required.

**CRITERIA FOR SCORING** - The exhibitor shall be scored according to the guidelines set forth in the current "Wyoming Junior Horse Show Rule Book". Exhibitor must be able to safely handle and control their horse.

#### **4-H Horse - Halter**

Halter Classes will follow 15 minutes after the conclusion of Showmanship classes. Exhibitors of all halter horses must be able to safely handle and control their own horse(s) or they will be excused from their class. Breeds: Horses may be grade; breed registration is not required. Grade & mixed breed horses show in breed they most represent. Registered horses show in breed classes in which they are registered. Other breed class is for any other horse not listed above. Mixed breed horses go in breed classes they most represent. A horse may be registered in more than one breed association; but is allowed to show in only one breed class, as identified on the 4-H Horse I.D. Sheet. No stallions foaled prior to January 1st of current year will be accepted for entry. Weanlings may be shown. If born after May 1st, they must be born to a

A horse may be entered in only one class under each event, i.e.: one reining class, one western pleasure class, etc. Refer to current State 4-H /FFA/JUNIOR Horse Show Rules Book for all appointments, tack, class conduct, way of going, etc.

Ponies entered in Pony Western Pleasure may not enter any other Western Pleasure class, but may enter English classes and individual performance classes. Pony Pleasure Class points do not go toward Western High Point.

**WESTERN PLEASURE**

All classes shall be judged on the performance, manners and conformation of the horse at the discretion of the judge. Entries will be penalized for excessive speed or being on the wrong lead. Horses must be shown at a walk, jog, and lope, working both directions of the ring, on a reasonably loose rein without undue restraint. Judge must ask that horse be backed and may ask for additional work as deemed necessary. See reining for required appointment and tack for this class. A junior horse may be entered in only one Western Pleasure Class. When riding a horse 5 years and under with a snaffle bit or bosal with split reins, two hands must be used on the reins.
