

**THE LARAMIE COUNTY COMMISSIONERS
WELCOME YOU TO THE
2011 LARAMIE COUNTY FAIR**

Laramie County has some of the most outstanding youth in the country. You will see these wonderful young people participating in the Laramie County Fair this year. Through dedication and commitment to their projects each year, they learn responsibility, accountability and the value of hard work. These young people embody the attributes that we would like to see throughout our country.

The youth who are involved in the Laramie County Fair have dedicated themselves to: family values, appreciation for their heritage and ancestors, commitment to excellence in everything they do, care for and about animals and livestock and the creation of a better world - one project and one day at a time.

We are particularly proud of the members of the Laramie County Fair Board for their tireless work on the Fair and for their commitment to making each year's Fair better than the year before. We believe that you will agree that they have accomplished this laudable goal with the 2011 Laramie County Fair!

We want to personally thank the Superintendents and volunteers for their hard work in making this year's Fair a success!

We look forward to seeing all of you at the Fair!

Your Laramie County Commissioners,

Tommy
